CURRICULUM VITAE

Personal Information

Name, Surname	Giancarlo Bracale	
Gender	Male	
Date and Place of Birth	30/08/1943 Baronissi (SA)	
Nationality	Italian	
Title / Discipline	Professor Emeritus University Federico II	Vascular Surgery
Address	Via San Gennaro Agnano 56- 80078 Pozzuoli (NA)	
Telephone number	+39-3397752698	
E-mail	gcbracale43@gmail.com	
URL - website	chirurgiavascolare.unina.it	

Education & Training	<p>Graduation in Medicine and Surgery- 1967 Specialization course in oncology (Milan)- 1968 Specialization course in ductless glands and endocrinology (Milan)- 1969 Specialization course in chemotherapy (Milan)- 1970 Post-Graduation in General Surgery- 1972 Stage in General and Vascular Surgery- 1971 Specialization course in Thrombosis (Milan)-1972 Specialization course in Abdominal Visceral Angiography (Milan)-1972 Scientific production award (University Federico II- Naples)- 1973 Specialization course in Vascular and Abdominal Radiology (Milan) -1974 Post- Graduation in Thoracic Surgery- 1974 Qualification in medical department head of General Surgery - 1977 Advanced course in Cardiovascular Surgery (Texas, Minnesota, New York)- 1978 Researcher of C.N.R(Naples)- 1980/81 Advanced course in Cardiovascular Surgery (Texas, Minnesota, California, NewYork)- 1983 Authorization from the Ministry of Health to transplant cadaveric aorta for therapeutic purposes, University of Bologna- 1995</p>
Summary of Academic Career	<p>Associate Professor of Vascular Surgery, University Federico II - 1980 Full Professor of Vascular Surgery, University Federico II- 1985 Director of Post- graduate in Vascular Surgery, University Federico II- 1985 Member of the faculty council, University Federico II- 2006 Professor Emeritus University Federico II, Naples-2014</p>

Teaching activity	Tutor in college lab courses, University Federico II, 1973 Teacher of Vascular Surgery, University Federico II- 1974 Associate Professor of Vascular Surgery, University Federico II - 1980 Full Professor of Vascular Surgery, University Federico II- 1985 Director of Post- graduate in Vascular Surgery, University Federico II- 1985 Professor Emeritus University Federico II, Naples-2014
Research Fields & Project	President and organizer of 20 international congresses President and organizer of 6 national congresses President and organizer of 24 regional congresses Participation in SIREs for vascular emergencies- 1994 Member of the commission of experts for the supply of cardiovascular devices-1994
Membership and office held In Scientific societies	President of SICVE President of Me.Fa.V.S. President of Società internazionale di patologia e chirurgia vascolare latino-mediterranea President of inter-regioanal section of società italiana patologia vascolare President of Società napoletana di chirurgia Italian delegate UEMS for Vascular Surgery National delegate of AIVS
Editorial activities in Journals and Monographs Series	Author of 357 publications Author of 10 monographs Author of 5 book chapters on vascular surgery
Office held in the University	Associate Professor of Vascular Surgery, University Federico II - 1980 Full Professor of Vascular Surgery, University Federico II- 1985 Director of Post- graduate in Vascular Surgery, University Federico II- 1985 Director of the institute for general surgery and organ transplants, University Federico II- 1994-1999 Professor Emeritus University Federico II, Naples-2014 Member of the faculty council, University Federico II- 2006
Other Activities	Excellent written and spoken knowledge of English Excellent written and spoken knowledge of French

Selected Publications

What the young physician should know about May-Thurner syndrome.
Narese D, Bracale UM, Vitale G, Porcellini M, Midiri M, Bracale G.
Transl Med UniSa. 2016 Jan 31; 12:19-28. eCollection 2015 May-Aug.

What the Young Physician Should Know About May-Thurner Syndrome.
Donatella N, Marcello BU, Gaetano V, Massimo P, Massimo M, Giancarlo B.
Transl Med UniSa. 2014 Sep 1; 12:19-28. eCollection 2015 May-Aug. Erratum
in: Transl Med UniSa. 2015 Dec; 13:65.

Embolization of a symptomatic pseudoaneurysm developing after transplant nephrectomy.

Bracale UM, Porcellini M, del Guercio L, Bracale G.
Intern Med. 2013;52(2):291-2. Epub 2013 Jan 15. No abstract available.

Endovascular treatment of abdominal aortic anastomotic pseudoaneurysm. The experience of two centers.

Bracale UM, Corte G, Del Guercio L, Pecoraro F, Dinoto E, La Rosa G, Porcellini M, Bracale G, Bajardi G.
Ann Ital Chir. 2012 Nov-Dec;83(6):509-13.

Altered expression of inflammation-related genes in human carotid atherosclerotic plaques.

Di Taranto MD, Morgante A, Bracale UM, D'Armiento FP, Porcellini M, Bracale G, Fortunato G, Salvatore F.
Atherosclerosis. 2012 Jan;220(1):93-101. doi:
10.1016/j.atherosclerosis.2011.10.022. Epub 2011 Oct 25.

How should I treat concomitant post-endarterectomy carotid pseudoaneurysm and contralateral symptomatic stenosis?

Bracale UM, Porcellini M, Bracale G.
EuroIntervention. 2010 Jun;6(2):283-7. doi: 10.4244/.

Anastomotic pseudoaneurysm complicating renal transplantation: treatment options.

Bracale UM, Santangelo M, Carbone F, Del Guercio L, Maurea S, Porcellini M, Bracale G.
Eur J Vasc Endovasc Surg. 2010 May;39(5):565-8. doi:
10.1016/j.ejvs.2009.12.010. Epub 2010 Feb 1.

Decreased paraoxonase-2 expression in human carotids during the progression of atherosclerosis.

Fortunato G, Di Taranto MD, Bracale UM, Del Guercio L, Carbone F, Mazzaccara C, Morgante A, D'Armiento FP, D'Armiento M, Porcellini M, Sacchetti L, Bracale G, Salvatore F.
Arterioscler Thromb Vasc Biol. 2008 Mar;28(3):594-600. doi:
10.1161/ATVBAHA.107.154658. Epub 2008 Feb 7.

Delayed diagnosis of leiomyosarcoma of the common femoral artery after endovascular repair.

Porcellini M, D'armiento FP, Spinetti F, Anniciello A, Bracale G.
J Endovasc Ther. 2003 Aug;10(4):846-8.

Regarding "A spontaneous rupture of the external iliac vein revealed as a phlegmasia cerulea dolens with acute lower limb ischemia: case report and review of the literature".

Porcellini M, Bracale G, D'Armiento FP.
J Vasc Surg. 2003 Jan;37(1):244-6; author reply 246. No abstract available.

Intracardiac migration of nitinol TrapEase vena cava filter and paradoxical embolism.

Porcellini M, Stassano P, Musumeci A, Bracale G.
Eur J Cardiothorac Surg. 2002 Sep;22(3):460-1.

About management of infected grafts.

Bracale GC, Porcellini M, Bernardo B.
J Cardiovasc Surg (Torino). 2001 Aug;42(4):573-4. No abstract available.

Spontaneous rupture of the iliac vein.

Bracale G, Porcellini M, D'Armiento FP, Baldassarre M.
J Cardiovasc Surg (Torino). 1999 Dec;40(6):871-5.

Intramural hematoma of the thoracic aorta in octogenarians: is non operation justified?

Porcellini M, Elia S, Camera L, Bracale G.
Eur J Cardiothorac Surg. 1999 Oct;16(4):414-7. Review.

Arterial homografts in the management of infected axillofemoral prosthetic grafts.

Bracale GC, Porcellini M, Bernardo B, Bauleo A, Capasso R.
J Cardiovasc Surg (Torino). 1999 Apr;40(2):271-4.

[Aneurysms of the abdominal aorta: what surgical treatment?].

Bracale G.
Minerva Cardioangiol. 1998 Sep;46(9):263-4. Italian. No abstract available.

Inferior pancreaticoduodenal artery aneurysm associated with common hepatic artery occlusion.

Bracale G, Porcellini M, Bernardo B, Selvetella L, Renda A.
J Cardiovasc Surg (Torino). 1996 Dec;37(6):579-81.

Clinical study of the efficacy of and tolerance to seaprose S in inflammatory venous disease. Controlled study versus serratio-peptidase].

Bracale G, Selvetella L.
Minerva Cardioangiol. 1996 Oct;44(10):515-24. Italian.

[Hypocobaltemia in chronic obstructive arteriopathy. Physiopathologic and therapeutic importance].

Zotti GC, Frongillo P, Micheletti G, De Franciscis G, Navarra S, Testa S, Sacco M, Bracale GC.

Minerva Chir. 1993 Feb;48(3-4):147-52. Italian.

Surgical treatment and desensitization therapy of giant papillary allergic conjunctivitis.

Del Prete A, Chiosi E, Magli A, Calandriello M, Bernardo B, Bracale G.
Ophthalmic Surg. 1992 Nov;23(11):776-9.

Pseudo velocity profiles in carotid artery through Doppler US signal processing.

Clemente F, Cesarelli M, Bracale M, Selvetella L, Bracale GC.
Front Med Biol Eng. 1991;3(4):233-44.

Our experience with spinal cord stimulation (SCS) in peripheral vascular disease.

Bracale GC, Selvetella L, Mirabile F.

Pacing Clin Electrophysiol. 1989 Apr;12(4 Pt 2):695-7.

Spinal cord neurostimulators in chronic severe ischemia of the limbs].

Bracale GC, Selvetella L, Mirabile F, Perretti B.

Minerva Chir. 1989 Feb 15;44(3):493-7. Italian. No abstract available.

Digital signal processing applied to Doppler U.S. velocimetry.

Bracale M, Cesarelli M, Clemente F, Bracale GC, Selvetella L.

Boll Soc Ital Biol Sper. 1988 Dec;64(12 Suppl):49-63. Review. No abstract available.

Hypoglossal-sympathetic-carotid syndrome produced by internal carotid arteritis. Case report.

de Falco Fa, Bracale GC, Mazzei G, Zaccaria F, Montariello A, Sepe Visconti O.

Acta Neurol (Napoli). 1988 Apr;10(2):126-31. No abstract available.

[Athletic vascular injuries].

Bracale GC.

Minerva Chir. 1987 Oct 15;42(19):1533-6. Review. Italian. No abstract available.

[Role of surgery in insufficiency of the perforating veins].

Bracale G, Bernardo B.

Phlebologie. 1987 Jul-Sep;40(3):649-53. French. No abstract available.

[Therapeutic activity of oral mesoglycan in venous disease. A clinical and blood coagulation evaluation].

Bracale GC, Selvetella L, Mirabile F, Ruocco A, Varriale V, De Caterina M.

Minerva Med. 1986 Oct 27;77(41):1919-25. Italian. No abstract available.

Varices of the lower extremities].

Bracale GC.

Minerva Chir. 1986 Mar 31;41(5-6):295-7. Italian. No abstract available.

Treatment of total aneurysms of the subrenal aorta].

Bracale GC.

Minerva Chir. 1986 Mar 31;41(5-6):251-5. Italian. No abstract available.

[Varices of the lower extremities].

Bracale GC.

Minerva Chir. 1986 Mar 31;41(5-6):295-7. Italian. No abstract available

[Treatment of total aneurysms of the subrenal aorta].

Bracale GC.

Minerva Chir. 1986 Mar 31;41(5-6):251-5. Italian. No abstract available.

[Recurrent varices: diagnosis and therapy].

Selvetella L, Bernardo B, Amato B, Scalise E, Mirabile F, Bracale GC.

Minerva Cardioangiol. 1986 Jan-Feb;34(1-2):51-2. Italian. No abstract

available.

[Current direction in the treatment of varices of the legs].

Selvetella L, Amato B, Scalise E, Platì S, Bracale GC.

Minerva Cardioangiol. 1986 Jan-Feb;34(1-2):47-9. Italian. No abstract available.

[Reflected-light rheography. A new method for the non-invasive evaluation of varices of the legs].

Bracale GC, Bernardo B, Selvetella L, Mirabile F, Carbone R.

Minerva Cardioangiol. 1986 Jan-Feb;34(1-2):33-6. Italian. No abstract available

[Changes in sexual activity in surgery of aneurysms of the abdominal aorta].

Bernardo B, Amato B, Perretti B, Bertone L, Bracale GC.

Minerva Cardioangiol. 1986 Jan-Feb;34(1-2):19-21. Italian. No abstract available.

[Hemorheologic and blood coagulation studies in 94 patients with chronic obstructive peripheral arterial disease].

Bracale G, Selvetella L, Bernardo B, Scalise E, Bertone L, De Caterina M.

Ric Clin Lab. 1985;15 Suppl 1:195-203. Italian.

Postoperative gastric complications in vascular patients.

Zotti G, Bracale G, Sfarzo A, Testa S, Amato B, de Luna FS.

Int Surg. 1984 Apr-Jun;69(2):129-31.

[Suture materials].

Bracale GC, Zotti GC.

Minerva Chir. 1982 May 31;37(10):913-22. Italian. No abstract available.

[Role of the lymphatic system in the etiology of edema in vascular surgery].

Zannini G, Bracale GC.

Phlebologie. 1981 Jan-Mar;34(1):127-34. French.

Different methods of demonstrating veno-lymphatic correlations at a clinical examination].

Zannini G, Bracale GC.

Phlebologie. 1981 Jan-Mar;34(1):117-26. French.

Non-invasive instrumental diagnosis of cerebrovascular insufficiency].

Bracale GC, Amato B, Della Volpe N.

Acta Neurol Quad (Napoli). 1980; 41:47-9. Italian. No abstract available.

Correlations between Doppler, thermography and ophthalmodynamometry for instrumental dépiage of cerebral vasculopathy.

Zannini G, Bracale GC, Cennamo G, Rocco P, Gangemi M.

J Cardiovasc Surg (Torino). 1978 Nov-Dec;19(6):647-54. No abstract available.

[Endoscopy, histology and cytology in the diagnosis of cancer of the esophagus. Comparative evaluations].

Triggiani E, Lobello R, Bracale GC, Vetrani A, Marzano LA.

Minerva Chir. 1978 Feb 28;33(4):233-4. Italian. No abstract available.

[Ischemic phlebitis and venous gangrene].
Ferrante G, Bracale GC, Jovino R, Gentile M.
Minerva Chir. 1977 Apr 15;32(7):409-14. Italian.

[Angiocyclan in the treatment of vascular diseases. Controlled clinical results].
Bracale GC, Renda A.
Minerva Cardioangiol. 1975 Mar;23(3):170-6. Italian. No abstract available.

[Behavior of some metabolic parameters during the post-ischemic phase in subjects with obliterating arteriopathies of the lower limbs].
Rengo F, Brevetti G, Bracale GG, Masciariello S, Trimarco B, de Caprio L, Critelli G.
Boll Soc Ital Cardiol. 1975;20(12):1795-800. Italian. No abstract available.

Revascularization of the distal arteries of the leg: indications and results.
Zannini G, Spampinato N, Bracale CG.
J Cardiovasc Surg (Torino). 1974 Sep-Oct;15(5):554-9. No abstract available.

False aneurysms of the vertebral arteries in the neck].
Bracale GC, Renda A, Masciariello S.
Minerva Chir. 1973 Nov 30;28(22):1492-8. Italian. No abstract available.

[Acute traumatic injuries of arteries of the limbs].
Zannini G, Cotrufo M, Bracale GC.
Minerva Med. 1972 Dec 8;63(88):4826-7. Italian. No abstract available.

[Considerations on the so-called idiopathic chylothorax].
Jovino R, Bracale G, Santangelo ML.
Rass Int Clin Ter. 1971 Jan 15;51(1):11-7. Italian. No abstract available.

[Electrocardiographic findings after implantation of pacemakers].
Valerio V, Cotrufo M, Bracale G, Purri P.
Rass Int Clin Ter. 1970 Sep 30;50(18):1149-63. Italian. No abstract available.

Dissecting aneurysm of the thoracic aorta. Clinical contribution].
Cotrufo M, Bracale GC, Esposito G.
Rass Int Clin Ter. 1970 Feb 15;50(3):127-36. Italian. No abstract available.

[Intestinal absorption of strophanthin G labeled with tritium in guinea pigs and humans].
Marchetti G, Marzo A, Merlo L, Bracale GC, Scalvini A, De Ponti C, Nosedà V.
Boll Soc Ital Biol Sper. 1969 Dec 15;45(23):1561-4. Italian. No abstract available

[Chronic celiaco-mesenteric arterial insufficiency in geriatric clinical medicine].
Cicala V, Barone L, Gentile S, Varricchio M, Bracale G, Cotrufo M, Manduca A, Tesaro P, Stefani M.
G Gerontol Suppl. 1969;40(3):5-221. Italian. No abstract available.

[Aspects of cardiac involvement in peripheral arteriopathies. (Clinical and electrocardiographic remarks and surgical problems)].

Jovino R, Corsale C, Cuocolo R, Boccia A, Bracale GC.
G Ital Chir. 1967 Jan;23(1):119-52. Italian. No abstract available.

[Peripheral arteriopathies caused by adrenaline, ergotamine and psychological stress in guinea pigs].

Marino A, Mazzeo F, Di Mezza F, Bracale G.

Arch Int Pharmacodyn Ther. 1965 Aug;156(2):455-66. Italian. No abstract available.
